- Publishing the dashboard.
- Sharing options

Dashboard is ready to share

- We are done with the analysis
- Its time to share our dashboard with the clients.
- They may want to play around with these filters and find a couple of more insights.
- For example what is the average age of the patients who got affected with stroke?
- What is the impact of BMI on stroke
- Lets upload this dashboard onto server

Step 9 – Sharing the insights with the stake holders
